Miriam Hogg, Principal
Beniki Foster, Assistant Principal

Welcome to Enterprise Elementary School!

We are excited to welcome you to the 2024-2025 school year. As many of you know, I served as the Assistant Principal last year, and it is an incredible honor to step into the role of Principal this year. Our school is a vibrant community dedicated to fostering a positive and nurturing environment, and I am looking forward to continuing this journey together.

For ENT students, this year promises to be a remarkable adventure filled with learning, new friendships, and countless opportunities to discover your unique talents. Our teachers and staff have been eagerly preparing to support you in every way possible. We have some amazing projects, events, and activities planned that we can't wait to share with you. Remember, every challenge you face is a stepping-stone towards success, and we are here to help you every step of the way. Let's make this year the best one yet!

Parental involvement and family partnerships are vital to the success of our students and our school community. Parents...We are grateful for your continued support and commitment. Communication between home and school is key, and I encourage you to reach out with any questions, concerns, or ideas. Together, we will work towards providing the best educational experience for your children, ensuring they feel valued, engaged, and challenged.

Here's to a collaborative and rewarding school year!

Sincerely,

Mrs. Miriam Hogg

Principal
