March 13, 2020

Dear Eastside Union School District Parents and Community,

We are continuing to navigate an unprecedented public health crisis in our community, our state and much of the world.

Since the COVID-19 coronavirus first emerged, we have followed the guidance of the Los Angeles County Office of Education and the California Department of Public Health in making preventative changes in our schools and programs. As this situation continues to evolve, the Los Angeles County Office of Education has now recommended school closures throughout Los Angeles County.

The Eastside Union School District will **extend spring break, beginning Monday,**

March 16, 2020 with a plan for students to return to schools on Monday, April 6, 2020.

During this time, all schools, activities, including RISE after school program, are canceled.

We will continue to provide breakfast and lunch for all students, and we are working on a plan to distribute meals. Specific information will be provided through Aeries Communication, the EUSD Website, Facebook, Instagram, and Twitter.

During the break, we encourage everyone in our community to follow recommended practices by avoiding large gatherings, washing hands frequently, and covering mouths when coughing or sneezing. If you are concerned about symptoms, please consult with a doctor.

We will continue to monitor this very dynamic public health situation and will plan to provide updates during the course of this extended break. All District correspondence will be sent via Aeries Communication, the EUSD Website, Facebook, Instagram, and Twitter.

Thank you for your support and cooperation during this time.

Sincerely,

A handwritten signature in black ink, appearing to read "Joshua L. Lightle".
