Family Reading Tip of the Month

CREATE A FAMILY READ-ALOUD ROUTINE

FAMILY READ-ALOUD ROUTINE AS EASY AS 1, 2, 3

1

Picture Walk

Have your children look at the illustrations on the front and back of the book cover and throughout the story. Ask them to describe what they see: "What do you think the story will be about?", "Who is this?", "Where do you think the story happens?"

2

Read Aloud

Read the story to your children or find a read-aloud recording or video on the internet. Stop occasionally to ask questions: "Where is ____ going?", "How would you feel if you were in her situation?", "Why do you think she said ____?"

3

Retell & Connect

Have your children tell you back important events in the story. Ask what they would do if they were one of the characters: "What did you like about this story?", "Tell me what happened in the story", "What would you do if you were ____?"
