Sora

## The student reading app

Sora offers the opportunity for students to explore and read age-appropriate e-books, audiobooks, and magazines from **Eastside Union School District** and **LA County Library.**

ON YOUR SCHOOL TABLET or CHROMEBOOK:

Log in to your EUSD Google account, go to your Classlink Launchpad by clicking the house icon (to the left of your URL box) or selecting Classlink in the "eastsideusd.org bookmarks" dropdown.

Click the Sora icon.

Create your profile: Click the Menu Icon, then click the airplane icon to add your profile information.

Add LA County e-books: Under your profile, select "**+ Add a library**" and enter **LA County.**

Sora typically searches one library at a time—either EUSD or LA County. To switch libraries, go to the Menu and check the library you want to search.

Home: Shows notes, highlights, and defined words.
Explore: Browse and check out.
