

CONGRATULATIONS!

Soon your child will receive LA County Library's **Student Card Plus** via their school email account, granting them access to the Library's incredible collection of print and digital books, and many online educational resources.

With the Student Card *Plus*, your child has access to the Library's resources and many tools to support their schoolwork, including:

- Free online homework help from live tutors
- Research databases for completing assignments
- Downloadable eBooks and audiobooks
- And much more!

Students can also place holds and check out up to 3 books at one time at any of our libraries currently offering Sidewalk Service. No overdue fines will be charged. Once our libraries re-open for in-person service, you can bring your child in and upgrade to a physical library card with even more free features.

If you do not wish for your child to have a Student Card *Plus* for any reason, please contact your child's school within one week of receiving this letter, so that the school can remove your child from the Student Card *Plus* roster.

With the LA County Library Student Card *Plus*, your child has access to a wide array of educational resources to help them succeed in school, and so much more.
