Eastside Union School District
Invites you to join us for our upcoming:

LCAP ADVISORY MEETINGS

What is LCAP?

The LCAP is the Local Control Accountability Plan that provides guidelines on how the budget received through the Local Control Funding Formula (LCFF) is prioritized. The LCAP has eight priority areas, one of those priorities gives YOU, and all of our families, the opportunity to provide recommendations for improving services for students and the community.

- If you have questions regarding the LCAP, join us to learn more.
- If you would like to make recommendations, join us to give your input.
- If you would like to help your student succeed, join us and become involved.
