

Request for Information Transportation Bid

1. Kaleb Kahassi- First Student, Inc.

Do you currently run in-house or outsource & what are some pain points?

We currently outsource our student transportation and our mechanic needs.

- a. Are those the same as on page 4, stating what you need the contract to provide?

Yes, they are the same services as outlined in the project manual.

What is the number of buses you're currently running and how many routes?

We run 12 routes and we own 20 buses.
